

Childhood Food Allergy

BE AWARE BE PREPARED

A WORKSHOP FOR PRE-SCHOOL AND SCHOOL TEACHERS

Food allergy affects **1 in 20** children in Singapore. This equates to roughly 2 in every classroom. Allergic reactions can be **LIFE-THREATENING** if prompt treatment is not given. Learn how to recognize and treat your students when they need help most. Help protect a life!

PROGRAM DETAILS

Date: 24 Jan 2017 (Tuesday)
Time: 2-5pm
Venue: Auditorium
Women's Tower, Level 1
KK Women's and Children's Hospital

Part 1: Learn about Food Allergy & Anaphylaxis
Part 2: Learn how to use an Adrenaline Auto-Injector (hands-on session)

A **CERTIFICATE OF ATTENDANCE** will be given at the end of the workshop.

REGISTRATION

If you are a pre-school or school teacher and would like to sign up for the workshop, please reply to the email address given below.
