

Childhood Food Allergy

BE AWARE BE PREPARED

A WORKSHOP FOR PRE-SCHOOL TEACHERS

In Singapore, food allergy affects roughly one child in every class. Allergic reactions can be **LIFE-THREATENING** if prompt treatment is not given. Learn how to recognize and treat your students when they need help most. Help protect a life!

PROGRAM DETAILS

Date: 31 Mar 2018 (Saturday)
Time: 9am - 12.30pm
Venue: Health Promotion Board
3 Second Hospital Ave
Singapore 168937
Auditorium, Level 7

Part 1: Learn about Food Allergy & Anaphylaxis

Part 2: Learn how to use an Adrenaline Auto-Injector (hands-on session)

A **CERTIFICATE OF ATTENDANCE** will be given at the end of the workshop.
